Craft Draughts (500ml)

JACK BLACK LAGER R40.00

Our flagship Pre-Prohibition style lager is inspired by the all malt beers of the early 1900s. This full-bodied lager is smooth & well balanced. It delivers a crisp & refreshing taste.

JACK BLACK WEISS BEER R43.00

As fresh as the Atlantic ocean's breeze, we're amped to introduce you to our Weiss beer. This Hefeweizen (our chosen style of Weiss) has a thick and creamy head - and due to its unfiltered nature, you'll find some seriously rich, soft fruit aromas. It's medium bodied and extremely refreshing.

JACK BLACK KELLER PILS R42.00

We are proud to introduce our naturally unfiltered beer, direct from the cellar, or "KELLER" as it is known in Germany. This beer's got some serious depth of character while holding true to a classic beer style. A gorgeous white foam head and tight bubbled mousse give way to smooth unfiltered goodness. Certain to become a favourite.

Craft Bottles

BUTCHERS BLOCK PALE ALE R54.00

An award winning Pale Ale, smooth in body with a distinctive flavour profile, and a decidedly fresh taste. Refreshing characteristics balanced with rich malt complexity and a bitterness that lingers to the finish.

LUMBERJACK AMBER ALE R55.00

Medium to full bodied with a deep dark red-brown hue. This award winning beer has complex malt character driven by loads of dark roasted Crystal Malt. Our brewer uses mountains of hops to balance this malt, making Lumberjack an outstanding beer to savour with richer style foods.

SKELETON COAST IPA R58.00

The Skeleton Coast is the treacherous coastline that contours Southwest Africa. Feared by seafarers, these 'Gates of Hell' were a rite of passage for those ships bound for India via Cape Town, many of which sailed with precious IPA - beer brewed with extra hops and malt to withstand the epic journey.
